Section 4: Formstack Survey: Final Signature Work Paper Archive Consent Form

The Office of Signature Work compiles final Signature Work products in a community-facing digital archive accessible to Duke Kunshan University students and faculty with NetIDs. If you consent, we will include your final Signature Work products in this archive. Your submitted materials will be digitally archived through DKU Library. Materials in the archive may be used for other internal, NetID-gated DKU purposes, e.g. by academic units or initiatives, when deemed appropriate by the Office of Signature Work.

Notes:

1. *All final Signature Work papers will be digitally archived by Duke Kunshan University as a record of completing the undergraduate Signature Work graduation requirement. Only the work of students who consent will be included in the community-facing archive as well.*
2. *All final Signature Work papers will be shared with the Ministry of Education and the National Thesis Database as part of every student's graduation requirement. Students who have concerns about this are encouraged to contact the Office of Signature Work.*
3. *The required final information, documents and media submitted for the Signature Work Fair (SW Fair) and the Signature Work Conference and Exhibition (SWCE) will be used during the event. These items include but are not limited to basic biographical information (student name, major/track, mentor name, year of graduation), SW project title, SW paper abstract, SW digital poster, SW presentation video, and SW Narrative.*
